Dasara Festivities will Commence from 12th of October. Hence the question of appointing a Special Duty Officer arises for Consideration. In previous years, Special Duty Officers were appointed for Dasara Festivities and R.A. Sessions as R.A. Sessions used to be held during the period of Dasara. But this year the position is different. L.A. Sessions will not be held during the period of Dasara this year unlike in the previous years. The Job of the Special Duty Officer, if one is appointed, would be pretty lighter and certainly less onerous. Invitations to the Dasara Festivities have not yet been finalised and the entire question is to be considered. If the number of invitees for the Dasara Festivities is Comparatively Smaller than in the previous years and is confined only to very high officers in active Service and all retired officers are omitted, Private Secretary to His Highness who is in charge of Guest Houses Mysore may be Requested to look after all the arrangements with the assistance of the Superintendent Indian Guest-quarters in so far as Ministers, Govt officers etc accomodated in Government Buildings like Lake view, Indian Guest-quarters etc are concerned. If however, the appointment of a Special Duty officer is deemed necessary, the officer to be appointed is for orders.

28/9/50.

It has since been decided that no procession need be held this yr and that the Dasara Exhibition

may be conducted on a moderate scale. The list of invitees has not yet been finalised and it may not be a big one for the reasons explained above.

3) The question of appointing a Spl. Duty officer for the Dasara celebrations may perhaps be taken up after a decision is taken as to the number of persons and officers to be invited for the function.

Chief Secy) HMK 29.9.50

4) The appointment of an officer on Special Duty is necessary. Even for the work to be done, on a restricted scale though it be, this year. There would be a large no. of distinguished visitors from outside, it is learnt, partly in connection with the general opening of the Food Technology Institute on 21-10-50, and partly for the Dasara. The P.S. to H-M. has his own work to do.

5) The Regr. G.P.S. may be appointed. Personal.
